

Heart Screen NEW YORK

Saving Lives Through Early Detection

Free Youth Heart Screening

Saturday, March 12, 2016 9am-3pm

Francis Lewis High School/GYM

5820 Utopia Parkway, Fresh Meadows NY 11365

The best way to detect a heart condition is through a heart screening using an ECG (electrical test) and Echocardiogram (ultrasound) of the heart

This is a simple non-invasive testing that takes about 35 minutes

Screening Packets: download at: www.classy.org/heartscreennewyork

Complete Packet: Please fill out "Heart Questionnaire" with your parent or guardian including adult permission signature (if under 18 years old)

****YOU MUST****

Bring your completed "Heart Questionnaire" forms with you on the day of the screening
