

**STATE LEGISLATION ON AEDs IN THE CURRENT SESSION
(SPECIFIC TO SCHOOLS, DATA AS OF 1/17/05)**

| Bills in the Legislature | | | | | | | |
|--------------------------|----------------------|--|------------------------|--|------------|--|---|
| STATE | Bill | SPONSORS | RELATED BILL(S) | TITLE | * Status | Latest History | Bill Summary |
| CA | CA 2005-2006 HB 254 | Nakanishi (Coauthor: Salinas). | None | Emergency medical services: automatic external defibrillators. | Approved | 07/25/2005--(H) APPROVED BY THE GOVERNOR. | Amendment to Section 1797.196 of the Health and Safety Code. Existing law authorizes the authority to establish minimum training and other standards for the use of automatic external defibrillators and requires persons or entities that acquire the defibrillators to comply with maintenance testing and training requirements which are scheduled to change on January 1 2008. Existing law until January 1 2008 provides immunity from civil damages for those persons or entities and sets forth tenant notice and other requirements for building owners in which an AED is placed. This bill would set forth a principal's staff notification and other duties for an AED placed in a public or private K-12 school. |
| | CA 2005-2006 HCR 57 | Salinas (Coauthors: Chan Gordon Maze Mullin Nakanishi Pavley and Vargas) (Coauthor: Senator Romero). | None | Automated external defibrillator programs. | Approved | 09/12/2005--(H) CHAPTERED BY SECRETARY OF STATE - RES. CHAPTER 113 STATUTES OF 2005. | Urges all California schools to implement an automated external defibrillator program (Resolution non-binding) |
| FD | FD 2005-2006 HB 1252 | Rep McCarthy Carolyn | None | Teague Ryan Sudden Child Cardiac Arrhythmia Syndromes Screening and Education Act of 2005 | In-Process | 03/22/2005--(H) REFERRED TO THE SUBCOMMITTEE ON HEALTH. | To amend the Public Health Service Act to provide for a program of screenings and education regarding children with sudden cardiac arrhythmia syndromes |

| STATE | Bill | SPONSORS | RELATED BILL(S) | TITLE | * Status | Latest History | Bill Summary |
|-------|----------------------|---|--|--|-------------|---|--|
| NJ | NJ 2006-2007 HB 708 | Primary Sponsor(s): Baroni Bill / Greenstein Linda R. Co- Sponsor(s): Chivukula Upendra J. / Munoz Eric | HB 2973 - Last Session | Requires the placement of defibrillators in public school buildings. | In-Process | 01/10/2006--INTRODUCED REFERRED TO ASSEMBLY EDUCATION COMMITTEE | This bill requires each public school district to supply and maintain an AED on-site in each school building. They must maintain the AED in an accessible location and ensure its availability during the normal school day and for extracurricular activities test and maintain the AED and notify EMS or the appropriate agency of the type and location of the AED(s). The administrator responsible for a public school building must ensure the presence of a staff person who is trained whenever the public school building is used for school-sponsored or school-approved curricular or extracurricular events or activities. A public school district and its employees are immune from civil liability pursuant to the provisions of section 5 of P.L.1999 c.34 (C. A:62A-27). The State is required to reimburse a public school district for the cost of purchasing and maintaining an AED on-site in each school building and for training staff in CPR and AED use. |
| NJ | NJ 2006-2007 SB 172 | Primary Sponsor(s): Doria Joseph V. / Palaia Joseph A. | SB 1769 - Last Session | Requires the placement of defibrillators at public and independent institutions of higher education. | In-Process | 01/10/2006--INTRODUCED IN THE SENATE REFERRED TO SENATE EDUCATION COMMITTEE | Mandates AED(s) for each public and independent institution of higher education: 1) a minimum of one AED for every 1000 full-time students enrolled in the institution; or 2) for each campus operated by the institution a minimum of one AED available on a 24-hour basis in at least two of the campus police or security vehicles on campus patrol. Lays out requirements such as training for expected users maintaining the AED in accessible locations in campus buildings and notifying EMS. Public and independent institutions of higher education and their employees will be immune from civil liability |
| NJ | NJ 2006-2007 SB 524 | Primary Sponsor(s): Buono Barbara / Turner Shirley K. Co- Sponsor(s): Palaia Joseph A. / Rice Ronald L. / Smith Bob / Bark Martha W. / Cardinale Gerald / James Sharpe / Sacco Nicholas J. / Coniglio Joseph / Singer Robert W. / Bucco Anthony R. | SB 478 - Last Session | Requires acquisition of defibrillators for use in public and nonpublic high schools and training of certain personnel in usage; appropriates \$900 000. | In-Process | 01/10/2006--INTRODUCED IN THE SENATE REFERRED TO SENATE EDUCATION COMMITTEE | Requires each school district in the State to acquire for each high school in the district and each nonpublic high school to acquire at least one AED. Lays out requirements such as maintaining the AED in a central location having it available during the school day and for athletic events maintaining and testing the AED notifying EMS of the type and location of the AED training expected users and ensuring that trained users are available during the day and at athletic events. The bill specifies that a school district or nonpublic high school and its employees would be immune from civil liability in the acquisition and use of AEDs. A school district or nonpublic high school would apply to the Department of Education for reimbursement of the costs incurred in implementing the provisions of the bill provided that the reimbursement for the cost of an AED must not exceed \$1500. The bill appropriates \$900 000 to the Department of Education to finance the purchase of AEDs and the |
